Guidelines for Participants

(Individual Registrations)

Date: June 05, 2023

The Science Programme Office, ISRO HQ in association with Indian Institute of Remote Sensing (IIRS), ISRO, Dehradun conducts the Space science and Technology Awareness Training (START) programme. START is an introductory level online training in space science and technology for the post-graduate and final year under-graduate students of science and technology.

The participants registered as "**Individual registrations**" need to follow the below training guidelines.

1. The participants with individual registration will be automatically approved. All the registered participants will get their login credentials for ISRO Learning Management System (LMS)- https://isrolms.iirs.gov.in .

2. The training programme will be conducted in online mode in *live* session during **1430 - 1600 hrs** Indian Standard Time (IST) through IIRS YouTube Channel- https://www.youtube.com/@edusat2004 . The day-to-day schedule will be published in ISRO LMS.

3. After login to the ISRO LMS, the participant will able be to see the following major components:
    a. Training Guidelines & Announcements;
    b. Recorded Video Sessions;
    c. Attendance;
    d. Quiz;
    e. Training Feedback;
    f. Training Certificate.

4. The participants have to participate in daily quiz published in the ISRO LMS.

5. The training activity of the participants in ISRO LMS will be recorded by the system as "Training Dedication".

6. The training dedication will be recorded for each participant based on time dedicated to the training activities (video logs, participation in daily quiz, participation in discussion forum and training feedback submission).

7. All the participants with training dedication of minimum **10 hours** will be awarded with "**Training Participation**" certificate.

8. The training participation certificate will be available for download in ISRO LMS.
